Solar Eclipse Safety

April 8, Early Release Day

*Oakdale is releasing all students at 1:10pm  
PLEASE MAKE ARRANGEMENTS TO PICK UP YOUR OAKDALE STUDENT AT 1:10PM*

As with other school districts in our region, Oak Hills Local Schools is looking forward to the total solar eclipse that will take place on Monday, April 8, and the learning our students will derive from it. The eclipse will occur at 3:09 p.m., at which time our region will experience near total darkness. Since this coincides with the time many of our schools are experiencing dismissal or students are being transported home, for safety purposes our district is choosing to move to an **early-release schedule for that day**. In addition to helping to keep our students safe, it will allow them to better experience -- and remember -- this very special natural phenomenon. The district will resume its normal schedule on Tuesday, April 9.

Please join the Oak Hills community in an effort to raise funds for our **13th Annual "One Hope, One Heart" fundraiser**. This is a family friendly event that is open to all of the Oak Hills community and has something for all ages to enjoy! On **Friday, April 5, 2024** the faculty members from each of the nine Oak Hills Local School District buildings and District Office will battle in a volleyball game to raise funds for district families that have experienced tragic hardship. We have amazing basket raffles, concessions, tattoos, logo stickers, sucker pull and many more fun activities throughout the night! Please save the date and come join us for this worthy cause.
