It seems like a lot, but it's necessary for your student. These items are all located on the "Parent Portal" which can be found by going to the district website OHLSD.US. You'll see "Parent and Student Portal" as one of the selections listed. Click on that, then click "Parents" in the upper right corner and you will find the programs you need.

LinqConnect - Where you can apply for the Free/Reduced Lunch Program and possibly have your fees waived. <https://linqconnect.com/>

Not on the Parent Portal, but equally important: ONE CALL NOW - Additional Contacts. The program used by the Oak Hills School District to blast out text and email messages is called One Call Now, or OCN. The program has a limit of 1 contact per student, typically the residential, custodial parent. You may consider having this information also sent to another parent, caregiver, grandparent, etc. of your choice. www.MyCallNow.com
