*Supporting the Student-Athletes of the
Oak Hills Local School District...*

Our Athletic Boosters efforts provide significant benefits to the quality of the experience for each and every Student-Athlete in the Oak Hills School District grades 7-12. We believe that athletics teach students valuable life lessons, but more than that, we also believe that successful sports programs can energize entire communities! Through our combined efforts, we are able to reinvest by purchasing equipment, supporting our teams financially, sending coaches to clinics, investing in facility improvements and providing recognition to our student-athletes in the form of awards and scholarships. We have a large program and can't do it alone! Please Join Us, with a #HighlanderMentality we can make a difference together!

Now more than ever, we need your support. Just like every facet of society, the athletic department at Oak Hills has been hit hard by the events of 2020. Over the last four years, our booster club has gained a lot of momentum. With the help of Booster members and private donors, we have made significant and much needed improvements to our facilities and provided our student-athletes with countless opportunities.

Fall sports are underway and our athletes need your support now more than ever. The loss of ticket revenue and season passes has left a financial void. The year 2020 has been...let's just say unique. We are asking every Highlander Fan to join the booster club and donate at least \$20.20 to support our student-athletes.
