1. Minutes

I recommend that the Board approve the Minutes of the Regular Board Meeting of June 5, 2017 according to ORC 3313.26 and Text 6.06 as attached.

EXECUTIVE SESSION

The term “executive session” is not defined in the Ohio Revised Code. The courts, however, have defined an executive session as “one from which the public is excluded, at which only such selected persons as may be invited are permitted to be present and at which no public business shall be transacted.”

ORC 121.22 permits discussion in executive session **ONLY for the following purposes:**

- (1) for the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of public employees or regulated individuals, or the investigation of charges or complaints against a public employee or regulated individuals unless such person requests a public hearing
- (2) for the consideration of the purchase of property or the sale of property, if premature disclosure of information would give an unfair competitive bargaining advantage to a person whose private interest is adverse to the general public interest
- (3) for conferences with an attorney concerning disputes involving pending or imminent court action
- (4) for the preparation of conducting or reviewing negotiations or bargaining sessions with public employees
- (5) for matters required to be kept confidential by state law, rules or state statutes
- (6) for specialized details of security arrangements where disclosure of the matters discussed might reveal information that could be used for the purpose of committing, or avoiding prosecution for, a violation of the law
- (7) consideration of confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets or personal financial statements of an applicant for economic development assistance, or negotiations with other political subdivisions respecting requests for economic development assistance provided that:
 - A. the information is directly related to a request for economic development assistance that is to be provided or administered under provisions of State law authorized in Ohio Revised Code Section 121.22(G)(8)(1), or involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project and
 - B. a unanimous quorum of the Board has determined by a roll call vote the executive session is necessary to protect the interests of the applicant or possible investment or expenditure of public funds to be made in connection with the economic development project.

It should be noted that “regulated individual” includes a student in the public schools.

Per OSBA

Sunshine Law - state reason

***Not required by law to state reason on agenda, but if issue of executive session is later challenged, it is an exhibit.**

**Don't ever name person(s) being discussed in Executive Session
- their integrity is at stake.**

*When Executive Session item comes up on agenda, a board member **must** state in his/her motion that the board is calling an Executive Session and **must** state reason (this must be reflected in the Treasurer's minutes) of Executive Session.

7. Personnel

I recommend that the Board approve the following Personnel actions (a - bb) as submitted.

Employment is conditional upon a satisfactory criminal records check as required by law. These persons are deemed employed only on a conditional basis until the satisfactory criminal records check has been performed by the Ohio Bureau of Criminal Identification and Investigation (or the Federal Bureau of Investigation in cases where the individuals have not resided within the State of Ohio during the previous five years), and the District has received a certified copy of the satisfactory records check. For those individuals whose employment would be considered as casual, on an as-needed or volunteer basis, approval is similarly contingent upon a satisfactory criminal records check. By making this recommendation, I have confirmed with the Human Resources Department that all names listed have proper licensure (permits, etc.) to perform their duties as required by the Ohio Department of Education & the State of Ohio.

8. Personnel

I recommend that the Board approve the following Personnel actions (a - b) as submitted.

Employment is conditional upon a satisfactory criminal records check as required by law. These persons are deemed employed only on a conditional basis until the satisfactory criminal records check has been performed by the Ohio Bureau of Criminal Identification and Investigation (or the Federal Bureau of Investigation in cases where the individuals have not resided within the State of Ohio during the previous five years), and the District has received a certified copy of the satisfactory records check. For those individuals whose employment would be considered as casual, on an as-needed or volunteer basis, approval is similarly contingent upon a satisfactory criminal records check. By making this recommendation, I have confirmed with the Human Resources Department that all names listed have proper licensure (permits, etc.) to perform their duties as required by the Ohio Department of Education & the State of Ohio.
