Semester Exams will maintain the integrity of assessing student learning, allowing for alignment to other high stakes tests including AP and ACT while assessing students’ growth and progress in their current coursework. (2.) There is ample time for students to work individually with teachers for remediation and intervention. (3.) Team Time in the afternoon will allow time for staff to work collaboratively to revise and align academic curriculum maps, review common assessments and analyze data to prepare for the second semester. This time will ensure all staff participates in this essential curriculum process and paid summer work will be minimal.
