2. Career Tech Resolution

I recommend that the Board approve the Career Tech Resolution for Grades 7 & 8 as submitted.

WHEREAS, House Bill (H.B.) 487, the Education Biennium Bill, was signed in to law on June 16, 2014, and becomes effective on September 11, 2014; and

WHEREAS, H.B. 487, among other provisions, made changes to R.C. §3313.90 now requiring all school districts to provide career-technical education to students grades 7-12, when previously the requirement was to provide such education in grades 9-12, unless the respective board of education passes a resolution specifying its intent not to provide career-technical education to students enrolled in grades seven and eight for a particular school year, and submits such resolution to the Ohio Department of Education by September 30th of that school year; and WHEREAS, the Oak Hills Local School District Board of Education (the "Board of Education") has determined it does not intend to provide career-technical education to students enrolled in grades seven (7) and eight (8) for the 2022/2023 school year.

NOW, THEREFORE, BE IT RESOLVED by the Oak Hills LSD Board of Education as follows:

SECTION I

The Board of Education shall not provide career-technical education to Oak Hills Local School District students enrolled in grades seven and eight for the 2022/2023 school year. The Board of Education directs the Superintendent to submit a copy of this resolution to the Ohio Department of Education by September 30, 2022.

SECTION II

IT IS FOUND AND DETERMINED that all formal action of this Board concerning or related to the adoption of this Resolution was adopted in an open meeting of this Board, & all deliberations of this Board and any of its committees that resulted in such formal actions were adopted in meetings open to the public, in compliance with all applicable requirements of the ORC.

3. Resolution - Declare Students Eligible for In-Lieu-of Transportation Payments

I recommend that the Board approve the Resolution to Declare Students Impractical to Transport and Eligible for In-Lieu-of Transportation Payments as attached.

WHEREAS Section 3327.01, ORC, permits a board of education to make payment in-lieu-of transportation to a parent, guardian, or other person in charge of a student where the board of education determines that it is impractical to transport a pupil by public conveyance; and WHEREAS the Board of Education of the State of Ohio issued certain procedures for boards of education to utilize in making such determination of impracticability; and

WHEREAS the Oak Hills Board of Education has fully considered Steps 2.1 through 2.6 of the State Board of Education Procedures and has determined that transportation is impractical for the students identified on the attached list and that payment in lieu of transportation should be made to the parent, guardian, or other person in charge of said students; and

WHEREAS the payment in lieu of transportation will be the amount determined by the Ohio Department of Education as the minimum amount for each respective school year; and

WHEREAS the names, addresses and schools of attendance for the students are provided on the attached list.

NOW, THEREFORE, BE IT RESOLVED that the Oak Hills Board of Education, after full consideration of all the criteria set forth by the State Board of Education, determines that pupil transportation is impractical for the students listed and that payment in lieu of transportation by school conveyance is necessary.

BE IT FURTHER RESOLVED that the Superintendent of Schools is hereby directed to seek the consent of the parent, guardian, or other person in charge of said students for payment in lieu of transportation.

BE IT FURTHER RESOLVED that a copy of the within Resolution be submitted to the County Board of Education pursuant to Section 3327.02, ORC, with a request that the County Board of Education affirm the within action.

BE IT FURTHER RESOLVED that consents to this determination from parents, guardians, or other persons in charge of students in this District shall be submitted to the State Board of Education for confirmation.

BE IT FURTHER RESOLVED that failure of a parent, guardian, or other person in charge of students to consent to the determination that transportation is impractical shall be submitted to the Superintendent of Public Instruction for fact finding and mediation.

4. Personnel

I recommend that the Board approve the following Personnel actions (a - y) as submitted.

Employment is conditional upon a satisfactory criminal records check as required by law. These persons are deemed employed only on a conditional basis until the satisfactory criminal records check has been performed by the Ohio Bureau of Criminal Identification and Investigation (or the Federal Bureau of Investigation in cases where the individuals have not resided within the State of Ohio during the previous five years), and the District has received a certified copy of the

satisfactory records check. For those individuals whose employment would be considered as casual, on an as-needed or volunteer basis, approval is similarly contingent upon a satisfactory criminal records check. By making this recommendation, I have confirmed with the Human Resources Department that all names listed have proper licensure (permits, etc.) to perform their duties as required by the Ohio Department of Education & the State of Ohio.

5. Personnel

I recommend that the Board approve the following Personnel actions (a-a) as submitted.

Employment is conditional upon a satisfactory criminal records check as required by law. These persons are deemed employed only on a conditional basis until the satisfactory criminal records check has been performed by the Ohio Bureau of Criminal Identification and Investigation (or the Federal Bureau of Investigation in cases where the individuals have not resided within the State of Ohio during the previous five years), and the District has received a certified copy of the satisfactory records check. For those individuals whose employment would be considered as casual, on an as-needed or volunteer basis, approval is similarly contingent upon a satisfactory criminal records check. By making this recommendation, I have confirmed with the Human Resources Department that all names listed have proper licensure (permits, etc.) to perform their duties as required by the Ohio Department of Education & the State of Ohio.
