10. **Personnel**

I recommend that the Board approve the following Personnel actions (a-a) as submitted.

Employment is conditional upon a satisfactory criminal records check as required by law. These persons are deemed employed only on a conditional basis until the satisfactory criminal records check has been performed by the Ohio Bureau of Criminal Identification and Investigation (or the Federal Bureau of Investigation in cases where the individuals have not resided within the State of Ohio during the previous five years), and the District has received a certified copy of the satisfactory records check. For those individuals whose employment would be considered as casual, on an as-needed or volunteer basis, approval is similarly contingent upon a satisfactory criminal records check. By making this recommendation, I have confirmed with the Human Resources Department that all names listed have proper licensure (permits, etc.) to perform their duties as required by the Ohio Department of Education & the State of Ohio.
