IV. SUPERINTENDENT'S REPORT

V. TREASURER'S REPORT

Mr. Bain communicated:

- May & June Financial Report:
- Delhi Twp TIF - reduced 2nd half collection (FY25 = \$1.6m / FY26 = \$1.3m)
- Green Twp TIF - reduced 2nd half collection (FY25 = \$7.7m / FY26 = \$6.8m)
- Fiscal Year End 2026 Financial Overview:
- Projections as compared to actuals of revenues & expenses were within 0.2%
- Ending cash balance = \$24.5m (the lowest cash balance since 2013, the last year the district had an operating levy)
- Property tax bills were delayed in being sent by the Hamilton County Treasurer's Office.
- This delay is a result of the Ohio legislatures changing the law on tax collections & credits which led to uncertainty in accurately applying the law. This uncertainty was shared by multiple government agencies including the Ohio Department of Taxation, County Auditors, and the

Legislative Service Commission. Projecting future years in the financial forecast is extremely challenging with limited knowledge of new laws.

- The delay in tax collection will reduce interest earnings for the district.
- Property Tax Reform - understanding the application of new state laws:
- The district is working with at least 6 sources to provide the best possible projections for the forecast. Districts across the state are interpreting the new laws in different ways and these new laws changed laws that have been in place for 50 years.
- The 6 sources OHLSD is partnering with for guidance are: State legislators, Hamilton County Auditor's Office, OASBO, the Lawrence County Auditor's Office, 2 independent consulting firms
- The district is seeking guidance on if the state will act retroactively and collect tax revenue received in prior years, and/or artificially deflate & cap future revenue growth.
- Patience will be needed as more information becomes available & the August regular meeting may be delayed until later in August as the forecast is required to be submitted.
- Senate Bill 450 - signed into law allocates \$611 million to K-12 education (comparable to the allocation in 2024)
- The initiative to have property taxes abolished will not be on the November ballot.
- The district was the recipient of the Auditor Award with Distinction for the Fiscal Year 2025 audit. This award recognizes outstanding transparency, stewardship and record keeping. Special thanks to all staff members for this recognition which is only received by approximately 4% of public entities in the state.

VI. DIRECTOR REPORTS

Mr. Nash provided an update on summer projects which included the high school air conditioning, Rapid Run pavement, high school visitor bleachers, & high school roof.

VIII. (Limit of five minutes per constituent for a total of thirty minutes)
Public Participation at Board Meetings - All meetings of the board and board-appointed committees are open to the public. In order for the board to fulfill its obligation to complete the planned agenda in an effective and efficient fashion, a maximum of thirty minutes (maximum of five minutes per person) of public participation may be permitted at each regular meeting. The board reserves the right to limit public comments to residents of the district and to terminate abusive language, profane or disruptive speech. Staff members or others may be invited to address the board. Each person addressing the board shall give his/her name and address. If several people wish to speak, each person is allotted five minutes until the total of thirty minutes is used. Repetitive comments are discouraged. No person may speak twice until all who desire to speak have had the opportunity to do so. Agendas are available to all those who attend board meetings. The first section on the agenda for public participation shall be indicated and is reserved only for comment on items listed on the meeting agenda. The second section on the agenda for public participation shall be indicated and is open for any public comment. Noted within each agenda shall be a short paragraph outlining the board's policy on public participation at board meetings.

5. 121-26 Personnel

Mr. West moved, seconded by Mr. Yorgovan to approve the following Personnel actions (a - ee) as submitted.

Employment is conditional upon a satisfactory criminal records check as required by law. These persons are deemed employed only on a conditional basis until the satisfactory criminal records check has been performed by the Ohio Bureau of Criminal Identification and Investigation (or the Federal Bureau of Investigation in cases where the individuals have not resided within the State of Ohio during the previous five years), and the District has received a certified copy of the satisfactory records check. For those individuals whose employment would be considered as casual, on an as-needed or volunteer basis, approval is similarly contingent upon a satisfactory criminal records check. By making this recommendation, I have confirmed with the Human Resources Department that all names listed proper licensure (permits, etc.) to perform their duties as required by the Ohio Department of Education & the State of Ohio.

6. 122-26 Personnel

Mr. West moved, seconded by Mr. Krugler to approve the following Personnel actions (a - b) as submitted.

Employment is conditional upon a satisfactory criminal records check as required by law. These persons are deemed employed only on a conditional basis until the satisfactory criminal records check has been performed by the Ohio Bureau of Criminal Identification and Investigation (or the Federal Bureau of Investigation in cases where the individuals have not resided within the State of Ohio during the previous five years), and the District has received a certified copy of the satisfactory records check. For those individuals whose employment would be considered as casual, on an as-needed or volunteer basis, approval is similarly contingent upon a satisfactory criminal records check.
