VI. TREASURER'S REPORT

Mr. Bain communicated:

- July Financial Report
- The fiscal year 2026 audit has begun & the board was provided the Audit Related Party Questionnaire.
- Financial Forecast & Fiscal Health:
 1. Stewardship & Transparency:
 - Of the 600 districts, 531 districts spend more per student than OHLSD (87th percentile).
 - OHLSD is 1 of 33 districts (out of 600 districts) to spend less than \$11k per student and receive a 4 or 5 star report card rating (95th percentile)
 - All financial activity is posted on the website, including over 70 actions which transparently illustrate how the district has stretched cash reserves.
 2. State of Ohio Funding:
 - > History of Legislation – Shifting Burden to the Local Taxpayer
 - > Massive Impacts of new legislation recently passed:
 - Statewide Impact to Public Education & Funding Crisis

- Taxpayer Impact & Credit (the Inflation Cap Credit)
- District Impact & Massive Retroactive Consequences Imposed on OHLSD
 - The State of Ohio through recent legislation has driven public school districts into a financial crisis, evident by 92% of districts anticipating a deficit within 2 fiscal years.
 - The state changed laws that have been in place for over 50 years & as a result years of previous local decisions by OHLSD have been erased. OHLSD decisions had positioned OHLSD to have stable balances, now this has been erased.
- 3. External Factors & the Impact to Oak Hills LSD
 - OHLSD's financial position has deteriorated by over \$5m as a result of involuntary actions of the State of Ohio and Green Township TIF funding.
- 4. Financial Forecast & Fiscal Health
 - The external factors have driven OHLSD to the brink of a financial crisis, the district should not take ownership of these external factor.
 - OHLSD should not own the deterioration of their financial condition since these external factors were involuntarily imposed on our district.
 - The State of Ohio requires a board approved plan by November 30th to address the looming deficit.
- 5.Next Steps:
 - Reductions and/or Levy discussion at the Sept 28th meeting

VII. DISTRICT REPORTS

Mrs. Rachel Searcy (Director of Student Services) provided a report on Student Success & Wellness Funds including plans regarding mental health, family engagement and culturally appropriate prevention services.

IX. CONSTITUENTS MAY ADDRESS THE BOARD REGARDING ITEMS ON THE AGENDA (Limit of five minutes per constituent for a total of sixty minutes)

Public Participation at Board Meetings

All meetings of the board and board-appointed committees are open to the public. In order for the board to fulfill its obligation to complete the planned agenda in an effective and efficient fashion, a maximum of sixty minutes (maximum of five minutes per person) of public participation may be permitted at each regular meeting. The board reserves the right to limit public comments to residents of the district and to terminate abusive language, profane or disruptive speech. Staff members or others may be invited to address the board. Each person addressing the board shall give his/her name and address. Employment is conditional upon a satisfactory criminal records check as required by law. These persons are deemed employed only on a conditional basis until the satisfactory criminal records check has been performed by the Ohio Bureau of Criminal Identification and Investigation (or the Federal Bureau of Investigation in cases where the individuals have not resided within the State of Ohio during the previous five years), and the District has received a certified copy of the satisfactory records check. For those individuals whose employment would be considered as casual, on an as-needed or volunteer basis, approval is similarly contingent upon a satisfactory criminal records check.
