VII. TREASURER'S REPORT

Mr. Bain communicated:

- August Financial Report
- The State of Ohio incorrectly calculated the new legislation with regards to the Inflationary Cap Credit.
 - As communicated at the August meeting, out of 600 districts, OHLSD had the 6th highest reduction.
 - 516 districts were overpaid & 132 districts were underpaid
 - Statewide overpayments = \$53m
 - Statewide underpayments = \$14m
 - Net underpayments = \$39m

- Oak Hills was overpaid \$561k and will likely have to reimburse the State. The explanation provided for the overpayment was the State used incorrect millage rates when determining reimbursements.
- Communication to the staff and community will be provided upon verification from the state that the calculations are updated and accurate.
- Oak Hills LSD was flagged by the Ohio Department of Education and Workforce for projected deficits in future fiscal years. OHLSD must provide a written board approved plan by November 30th to address these financial deficits.
- The board will discuss the ODEW written plan and discuss levy options at the September 28th board meeting.

WHEREAS Section 3327.01, ORC, permits a board of education to make payment in-lieu-of transportation to a parent, guardian, or other person in charge of a student where the board of education determines that it is impractical to transport a pupil by public conveyance; and WHEREAS the Board of Education of the State of Ohio issued certain procedures for boards of education to utilize in making such determination of impracticability; and
