9. Delhi Middle School is excited to announce that the Social Media Awareness & Responsibility Training (SMART) program will be coming to Delhi Middle School on Thursday, January 24. There will be a parent presentation at 6:30 pm in the DMS Media Center.

"Our SMART program provides social media coaching to train students how to create a successful online brand. We give young people the tools to present themselves positively online. We teach them the importance of responsible social media use through statistics, testimonials, and various other forms of evidence. Additionally, we caution students against the common pitfalls of the social media age and coach them to avoid situations that can damage their reputation."

13. Attendance Reminders - **Parents** are responsible for contacting the school absence line (513-922-1485-press “1” for attendance) each day to give the **REASON** for a child’s absence. You can email the teacher as well but **please copy the attendance secretary** (blome_d@ohlsd.org) on any email so that she can document the reason for each absence. **If a parent calls the absence line but does NOT give the reason for an absence or emails the teacher but doesn’t email the attendance secretary the absence is unexcused.** After 10 days (60 hours) of absences, a student must have a doctor note to excuse an absence. Please remember that all tardy/late arrivals count in the tally for attendance as well. School starts at 9am which means the student must be in the **classroom, ready to go at 9am!**

14. Just a reminder: In order for ANY medication to be given at school a medication form must be brought in every year. This includes any prescription medications, EpiPens, inhalers, seizure medications, and as needed medications. Downloadable medication forms can be found at www.ohlsd.us under the Health Room department.

Reminder: A student may only be released during the school day to someone listed as Legal Guardian or an Emergency Contact on his/her EMA. A photo ID is required to pick up a student.
