 - * Walkathon will be held no matter what in the Spring. Date to be determined.
 - * A surprise is being planned by Mr. Connors and Ms. Marquette.
 - * All prizes will be delivered as soon as possible with the exception of the dunk tank. That will be delayed until spring.
 - * If you've ordered a shirt, we've submitted the order and we will have them by the end of October if not sooner. We will distribute them once we receive them. Thank you to 5th Grader Tayla Harris. She is this year's shirt design winner. We look forward to sharing it with you soon!We want to thank all parents and students for your fundraising efforts. We really appreciate your support. Even though we're not holding events in the building, we're still supporting our students in other ways. - REMINDER about the Flu Season:

Flu viruses are most common during the fall and winter seasons. Flu is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and sometimes the lungs. It can cause mild to severe illness. The best way to prevent flu is by getting a flu vaccine each year. The Center for Disease Control recommends that everyone 6 months and older receive a yearly flu vaccine. It is especially important to get a flu vaccine if you have a chronic health disease, over 65 years of age, pregnant or have a weakened immune system due to disease or medication. Flu vaccines are available at commercial pharmacies (Walgreens, CVS), health provider offices and at clinics. The Hamilton County Health Department has a flu clinic available for children who are uninsured, under insured, or are receiving or eligible for Medicaid.
