COLONEL'S CORNER

December 22nd, 2020

Dear Colonel Families,

As we wade through remote learning and take a break for the next ten days, I want to thank each and every one of you. I thank you for your patience as we navigate a "different" school year. I thank you for your support of our school, our teachers, and our procedures. Most importantly I want to thank you for the trust you have shown in all of us at COH. A trust that we are acting safely. A trust that we have our students' best interests at heart. A trust in knowing we are truly a team and it is a team effort. We would not have been able to make it this far without your help. Every student, every teacher, every parent has played a part in us being able to provide a "normal" day for our students. A day they can get up in the morning, come to school and interact with their friends and teachers, and return home safely to a caring family. Every one of you should be extremely proud of this accomplishment. I know I am.

Our staff is looking forward to some down time and hope you are as well. However, I promise when we return in January, we will be ready to get back after it like we always do.

From the entire staff at COH, I want to wish you all a wonderful Holiday Season, and a very Happy New Year.

Thank you & stay safe,
Brian Conners

5. REMINDER about the Flu Season:

Flu viruses are most common during the fall and winter seasons. Flu is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and sometimes the lungs. It can cause mild to severe illness. The best way to prevent flu is by getting a flu vaccine each year. The Center for Disease Control recommends that everyone 6 months and older receive a yearly flu vaccine. It is especially important to get a flu vaccine if you have a chronic health disease, over 65 years of age, pregnant or have a weakened immune system due to disease or medication.

Flu vaccines are available at commercial pharmacies (Walgreens, CVS), health provider offices and at clinics. The Hamilton County Health Department has a flu clinic available for children who are uninsured, under insured, or are receiving or eligible for Medicaid. [Click here for information about scheduling an appointment at Hamilton County Health Department](#)
6. Primary contacts (Residential Parent/ Legal Guardian) can add up to 5 additional emails or phone numbers to the OneCall Now system by creating an account with mycallnow. Here are the instructions:
