9. For the last two years, the non-profit organization, Kids & Community Food Collaborative, has provided weekend 'Power Packs' to nearly 60 Oak Hills students who otherwise would likely have gone hungry. The Power Packs contain healthy foods like fruit and vegetable juices, whole-grain cereals, sunflower seeds and pasta meals. Now funding for that project is about to run out just as the need has grown significantly because of the pandemic. So KidsCFC is raising funds to expand its program to feed more than 400 students in need across the Oak Hills district, for the next three years. This is crucial help for Oak Hills families! We hope you will consider contributing to this project, which will make such a difference in the lives of Oak Hills children. Contribute through PayPal at <https://PayPal.me/KCFC>, or send contributions to P.O. Box 389175, Cincinnati, 45238. For more information, visit @KidsCFC. Thank you!
10. **Attendance reminder!** Please make sure to report the **reason** for your child's absence each day they are absent-this includes remote learning days as well as students sick in Virtual Academy. Parents must contact the school @922-1485, press "1" to leave a message on the absence line. Messages must include the **reason** for the absence along with your student's name, your name, teacher's name and grade level. You may also email the attendance secretary @ blome_d@ohlsd.org to report the reason for your child's absence

each day. If you receive a message from OneCallNow that a child of yours has been reported absent with no call to the school (or email) then your child will be unexcused. **You must contact the attendance secretary to report the reason WHY your child is not in school or else those absences are considered UNEXCUSED ABSENCES.** All out of town absences (vacations, etc.) are unexcused absences per District Policy. Remote Learning Days count for attendance as well! **Tardies, without exception, shall be unexcused and will be included in the tally for attendance hours.**

11. Primary contacts (Residential Parent/ Legal Guardian) can add up to 5 additional emails or phone numbers to the OneCall Now system by creating an account with mycallnow. Here are the instructions:

Add Additional Numbers - The student's primary contact can create a *My Call Now* account to add an addition 5 email addresses or cell phone numbers to also receive *One Call Now* alerts and messages. You may do this by going to <https://www.mycallnow.com> and creating an account using the Primary contact's email address and your student's ID number.

* Please note - school district personnel are not able to access phone numbers or email addresses entered on this site, only the Primary Contact can make changes to the *mycallnow* system.

12. 20-21 Instructional Fees are \$85 and can be paid online using EZ Pay on the Parent Portal @ ohlsd.org or mailing a check or money order to the school at 585 Neeb Rd. Cincinnati, OH 45233. 14. REMINDER about the Flu Season:

Flu viruses are most common during the fall and winter seasons. Flu is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and sometimes the lungs. It can cause mild to severe illness. The best way to prevent flu is by getting a flu vaccine each year. The Center for Disease Control recommends that everyone 6 months and older receive a yearly flu vaccine. It is especially important to get a flu vaccine if you have a chronic health disease, over 65 years of age, pregnant or have a weakened immune system due to disease or medication.

Flu vaccines are available at commercial pharmacies (Walgreens, CVS), health provider offices and at clinics.

The Hamilton County Health Department has a flu clinic available for children who are uninsured, under insured, or are receiving or eligible for Medicaid. [Click here for information about scheduling an appointment at Hamilton County Health Department](#)

15. Dear Highlander Families,

We have exciting news to share with our families. As a result of extended federal legislation, all students in all Oak Hills elementary schools and in Delhi Middle School are now eligible to receive **free meals at school every day through May 28, 2021**. There are no family financial requirements for receiving the meals.

At Delhi Middle School, Delshire Elementary, J.F. Dulles Elementary, **C.O. Harrison Elementary** and Oakdale Elementary, students will receive free breakfasts and free lunches. Springmyer Elementary students will receive free lunches since the school does not serve breakfast.

Students at all schools can continue to purchase a la carte items in addition to their free meal. Students are welcome to take their breakfast to their classroom so we encourage them to stop by their cafeteria each morning.

While all students are automatically eligible for the free meals, we encourage families with financial need to still complete the free and reduced lunch application. This is critical as it determines if families qualify for a waiver of instructional fees. The application is available at www.lunchapplication.com and paper applications are available in each school office.

The new federal program is intended to support families as the nation recovers from the pandemic, and also to provide financial support for school food-service programs that lost revenue during school closures and hybrid model learning days. We are excited to see so many families benefiting from this legislation and hope to continue to see our families through the end of this school year.

Please contact Supervisor of Food Service Kelly Weldele at 598-2958 with questions.

16. Community Resource: Oak Hills United Methodist Church Food Pantry is available to everyone who is struggling with providing food for their family. The food pantry is open every Wednesday from 6:30-8:00 p.m. and the 1st & 3rd Saturday of each month from 9 a.m.-11 a.m. Walk ins allowed. For more information go to oakhillsumc.fuse.net or call 513-574-1131.

17. Please consider joining the PTA. Membership is \$6 per person. Until safety guidelines permit us to host events, we will continue to assist our teachers/staff, and students. Your membership will help us to support them throughout the year. And to our virtual academy families, we would love for you to join as well!
