ATTENDANCE REMINDER

Parents or Guardians need to contact the **Attendance Secretary** to give the reason why a student is absent from school. If a child is going to be on vacation or out for a surgery then the parent must email Mrs. Blome @blome_d@ohlsd.org in advance and list the range of dates for the absence along with **the reason** for the absence. Extended absences for surgery will also require a doctor note to be sent in when the student returns to school. A parent can call the absence line (513) 922-1485 and press 1 to reach the absence line voice mail to leave a message about an upcoming absence for a surgery or vacation with the range of dates as well as **the reason** for the extended absence. Contacting a child’s teacher via email **does not** excuse an absence-it needs to be communicated with the attendance office so that the attendance record can be updated. Doctor Notes are also required for any absences (including doctor or dentist appointments during the day) after 10 absent days. Please remember that when your child is home sick you must call the absence line 513-922-1485 – press 1 for the absence line (Not the Nurse) to report the reason for the absence for **EACH** day a child is absent unless the doctor gives you the range of dates that your child will need to be out and you list those dates in the message. **If the nurse sends your child home sick, a parent must still call the absence line the next day to report WHY the child is absent.** You can also email the attendance secretary Mrs. Debby Blome @ blome_d@ohlsd.org to give the reason for a child’s absence. After 10 absences it is **REQUIRED** to send in a Doctor’s note for illness and appointments- **NOT** a Parent Note. After 10 days all absences will be **UNEXCUSED** without a doctor’s note. If a parent calls the absence line and does not give the reason for an absence it will be **UNEXCUSED**.

If you have any questions regarding a student’s attendance record, please contact Mrs. Blome in the office.

1 or 2 days a week doesn't seem like much but...

If your child misses...	That equals...	Which is...	And over 13 years of schooling that's...
1 day every 2 weeks	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years of school
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years

How about 10 minutes late a day? Surely that won't affect my child?

He/she is only missing just...	That equals...	Which is...	And over 13 years of schooling that's...
10 mins per day	50 mins per week	Nearly 1 ½ weeks per year	Nearly ½ year
20 mins per day	1 hr. 40 mins per week	Over 2 ½ weeks per year	Nearly 1 year
30 mins per day	Half a day per week	4 weeks per year	Nearly 1 ½ years
1 hour per day	1 day per week	8 weeks per year	Over 2 ½ years

EVERY DAY COUNTS

If you want your child to be successful at school then, YES, attendance does matter!
