Dear Colonel Families,

We have just ended week two of our remote learning journey. While we know we have had some bumps in the road, everything is moving very well. Remember you will receive assignments on Monday morning and they are not due until the following Sunday night. With that being said, if you are struggling getting assignments completed due to work and other obligations, please reach out and we are here to help you. We know this is a very stressful time for everyone, and our goal is to not add to that stress. Please communicate and we are here to help.

If you need information regarding any of our programs during this time, please visit our district website and look for the [Corona link](#). This has all of the information you can want as a family.

Please remember to be safe and continue to wash your hands and follow guidelines set forth by the health department. Doing the small things collectively, is the best chance we would have to get back to 585 Neeb Road.

We miss you all,  
Brian Conners

## **ATTENDANCE REMINDER**

**Parents or Guardians** need to contact the **Attendance Secretary** to give the reason why a student is absent from school. If a child is going to be on vacation or out for a surgery then the parent must email Mrs. Blome @blome\_d@ohlsd.org in advance and list the range of dates for the absence along with **the reason** for the absence. Extended absences for surgery will also require a doctor note to be sent in when the student returns to school. A parent can call the absence line (513) 922-1485 and press 1 to reach the absence line voice mail to leave a message about an upcoming absence for a surgery or vacation with the range of dates as well as **the reason** for the extended absence. Contacting a child's teacher via email does not excuse an absence-it needs to be communicated with the attendance office so that the attendance record can be updated. Doctor Notes are also required for any absences (including doctor or dentist appointments during the day) after 10 absent days. Please remember that when your child is home sick you must call the absence line 513-922-1485 – press 1 for the absence line (Not the Nurse) to report the reason for the absence for EACH day a child is absent unless the doctor gives you the range of dates that your child will need to be out and you list those dates in the message. If the nurse sends your child home sick, a parent must still call the absence line the next day to report WHY the child is absent. You can also email the attendance secretary Mrs. Debby Blome @ [blome\\_d@ohlsd.org](mailto:blome_d@ohlsd.org) to give the reason for a child's absence. After 10 absences it is **REQUIRED** to send in a Doctor's note for illness and appointments- **NOT** a Parent Note. After 10 days all absences will be **UNEXCUSED** without a doctor's note. If a parent calls the absence line and does not give the reason for an absence it will be **UNEXCUSED**.  
If you have any questions regarding a student's attendance record, please contact Mrs. Blome in the office.
