

# Delshire Elementary

## Volunteer Interest Survey

The Delshire Elementary PTA is a dedicated community, focused on enriching the school experience for our students, teachers, and staff. By playing an active role in your child's school, you show them the value of education and strengthen their connection to learning. The PTA organizes and funds the fun events and programs that make our school special, but we can't do it without your help.

We encourage every family to volunteer in some way throughout the school year, as it is our shared duty to help create the best possible environment for our children to learn and grow. Every effort, big or small, makes a difference! Please share your family's interests, talents or resources by completing this form and returning it to the school. We'll be in touch with ways you can help!
