Medication Procedure from the Health Room

Each year a new doctor's order must be given to the school. Parents can find the medication forms on the Health Room Page at <https://www.ohlsd.us/delhi-middle-school/>

7th Grade Parents

The Ohio Law requires that before entering 7th grade, students must receive the following vaccines: one dose of Tdap (Diphtheria, Tetanus, Pertussis) and one dose of MCV4 (Meningococcal.) Most children will receive these vaccines around 11-13 years of age. Schools must receive the most updated vaccine record that includes the 7th grade requirement of booster Tdap and MCV4 as described above. Parents will need to contact their doctor's office to request an updated vaccine record to submit to school. Please call your doctor's office soon to verify that your child has received these booster vaccines. If they have not, please make an appointment for your child to receive these vaccines before the start of next school year.

Oak Hills Family,

Please join the Oak Hills community in an effort to raise funds for our 12th Annual **One Hope One Heart fundraiser**. This is a family friendly event that is open to all of the Oak Hills community and has something for all ages to enjoy! On **Friday, March 24th, 2023** the faculty members from each of the nine Oak Hills Local School District buildings and District Office will battle in a volleyball game to raise funds for district families that have experienced tragic hardship.

We have amazing basket raffles, concessions, tattoos, logo stickers, sucker pull and many more fun activities throughout the night! Please save the date and come join us for this worthy cause.

Teachers/Staff will be wearing these on the following Thursdays (3/16 & 3/23) in the month of March!
