When logging on to the account parents will see the following prompt: REGISTRATION OPEN FOR NEXT YEAR. If they click the button they will receive a prompt about how to get started. If they start registering for next school year, they are put into 2023-24 registration and will see that status at the top of every page.

Should they go back to 2022-23 they will see the current school year's statuses. New registrants for 2023-24 will be marked as such for the parent so they do not get confused.

Parents need to add all sports to the account that a student might be interested in playing for the year so they don't have to add the sport(s) later and then have to re-sign forms. Parents AND Students must complete and sign all forms.

****Students will not be allowed to participate after May 26, 2023, in any training/workouts, tryouts or official practices for OHLSD teams until all forms are filled out for the 2023-24 school year and signed by both the parent and student and an updated physical is on file in the Athletic Office at the student's school!**
