## Medication Procedure from the Health Room

Each year a new doctor's order must be given to the school. Parents can find the medication forms on the Health Room Page at <https://www.ohlsd.us/delhi-middle-school/>

## 7th Grade Parents

The Ohio Law requires that before entering 7th grade, students must receive the following vaccines: one dose of Tdap (Diphtheria, Tetanus, Pertussis) and one dose of MCV4 (Meningococcal.) Most children will receive these vaccines around 11-13 years of age. Schools must receive the most updated vaccine record that includes the 7th grade requirement of booster Tdap and MCV4 as described above. Parents will need to contact their doctor's office to request an updated vaccine record to submit to school. Please call your doctor's office soon to verify that your child has received these booster vaccines. If they have not, please make an appointment for your child to receive these vaccines

Dear Current and Future Middle-School Families,

We are pleased to invite you to a middle-school math instructional review where families will have the opportunity to review and explore the new resources that middle-school students will use in their math classes next school year. Families can stop by at any time during an open house held this Wednesday, May 17, from 7p.m. to 8 p.m. at Rapid Run Middle School, 6345 Rapid Run Rd. The open house will be held in the large-group instruction room.

The open house will take place at the end of the Adapt for Life Parent Night that is scheduled at RRMS from 6 p.m. to 7 p.m. on Wednesday evening. We also anticipate providing another opportunity in the fall for parents to review our new resources.

We are pleased to share these new resources, and look forward to seeing you Wednesday night. If you have questions, please feel free to email me at [kessler\\_c@ohlsd.org](mailto:kessler_c@ohlsd.org).

Sincerely,

Corey Kessler, Director of K-12 Curriculum and Instruction
