

Safety Village 35th Anniversary Program

Summer 2018

Safety Village is a two-week experience where children entering Kindergarten learn about vehicle, bus, pedestrian, playground, fire and stranger safety. This is accomplished through films, arts and crafts, role playing, songs, special guests and a field trip. We could not be more excited to celebrate the 35th anniversary of this amazing, long-standing program in the Oak Hills Local School District Community.
