

REGISTRATION INSTRUCTIONS

STUDENTS WILL NOT BE ENROLLED UNTIL REQUIREMENTS ARE MET AND PAPERWORK IS COMPLETE.

DOCUMENTS AND INFORMATION NEEDED FOR ENROLLMENT:

1. Student's original Birth Certificate or Passport.
2. Copy of the driver's license of the student's parent/legal custodian (for photo identification purposes).
3. Proof of residency (see other side for requirement details). If your residency changes, inform the school district and provide the required proof. Please be aware that the school district has the right to investigate residency and act accordingly.
4. Custody: When applicable, the custodial parent/legal guardian must provide the certified/court stamped copy of the custody order or decree which shows that he/she is the "residential" custodian or legal guardian. Please bring the entire document. Also, a marriage license may be required in some circumstances. Students are eligible to attend school in the district where the custodial parent, or legal guardian, resides.
5. In the event a biological parent is deceased, provide a copy of the death certificate.
6. Proof of immunizations.

IMPORTANT

If your child currently receives special services (has an I.E.P. - Individual Education Plan - or Section 504 Plan), please bring your copy with you at time of registration.

NOTE: Although a registration may be for a former Oak Hills student, we follow the entire procedure as if it is a new registration. Please provide the required documents.

Thank you for your cooperation. For questions, please call District Office at 513-574-3200.

PROOF OF RESIDENCY

ACCEPTABLE PROOF OF RESIDENCY:

1. Copy of deed, current mortgage statement, recent settlement statement, current 1098 form, or the most recent property tax bill (no print-outs from the auditor's website please). If property is only in the name of your spouse, your marriage certificate is also required. OR
2. Current rental or lease agreement: provide full document, signed and dated. It must contain the name, address, and phone number of the landlord. OR
3. Parent(s) and student(s) living with another person: Parent must obtain affidavits from the Oak Hills District Office at 6325 Rapid Run Road PRIOR to registration. You will need to provide the homeowner's name, address, and phone number. The affidavits must be fully completed (including the required attachments as listed on the forms), and notarized. This only applies if the current occupant is the homeowner. If moving in with someone who is renting (sharing an apartment or rental house), you need to have your name added to the rental/lease agreement, or have the landlord or apartment manager provide an addendum to the current lease which states you and your family also live there.

House Under Construction/Purchase:

If a person has a contract to build, parent(s) must submit, at registration, a copy of the contract, PLUS a letter from the builder stating that he does have a firm contract and giving an estimate of the time of completion (not to exceed 90 days from the day school starts or from the time the child starts school). The letter should contain the builder's name, address, and phone number. After closing, a copy of the settlement statement must be submitted to the school district within 10 days.

If a person has a signed a contract to purchase an existing home, a copy of the Contract to Purchase which shows the closing date must be submitted at time of registration. The occupancy date must be within 60 days from the day school starts or the first day the child attends school. After closing, a copy of the settlement statement must be submitted to the school district within 10 days.

The school district has the right to investigate residency. Parents are required to inform the district of any change of residence and/or custody status.

These instructions also apply to address changes for current students. For enrolled students – we will accept a current utility bill, i.e. Duke Energy, to “change” an address. If renting, the landlord's name and phone number is still required with the new utility bill. Thank you.

In determining “residency” for school purposes, the State of Ohio examines criteria such as where the parent sleeps and eats the majority of time, where mail is received, and where the parent is registered to vote. One cannot establish a residence merely by purchasing a house or apartment building or even by furnishing such a house or apartment so that it is suitable for the owner's use. “Residence” involves something more. It must be a place where important family activity takes place during significant parts of each day; a place where the family eats, sleeps, works, relaxes, and plays. It must be a place, in short, which can be called “home.”
