### WINTER IS HERE

There will probably be days when the weather is bad and we may experience snow delays and closings. The Oak Hills Local School District will notify the main contact person (plus additional contacts; see below) for every student automatically via the One Call Now system. Please be sure we have your current phone number on file. If you have others who need this information (grandparents, caregivers, etc.), see the "Adding Additional Contact" information below.

### SCHOLASTIC BOOK FAIR

Thanks to everyone who shopped this years' book fair! It was very successful and we could not do it without our volunteers! Thank you!

### **NO SCHOOL FOR STUDENTS**

To honor Dr. Martin Luther King, Jr. Day, we will not have school on January 17

### **SCHOOL MENU**

Use [this link](#) to see what is for breakfast and lunch!

### **ADDING ADDITIONAL CONTACT**

Every parent should consider adding additional people to receive emails and text messages sent from Oakdale. This would include a 2nd parent, grandparent/daycare provider, etc. *We can't do this at school;* the primary contact person for each student is the only person who can add additional contacts. Create a "My Call Now" account using [this link](#) for One Call Now.

**Please keep in mind that students must be in their seats when school begins at 8:45am.**

## Covid Information

Please keep your children home if they are not feeling well. We don't want to spread any contagious virus.

If someone in your house is pending COVID test results, all unvaccinated students should stay home until negative results are received. Vaccinated students without symptoms can attend school but should be masked during this time.

Please notify the school nurse or complete the [COVID Reporting Form](#) if your student was in close contact with someone that tested positive for COVID or if your student is testing for COVID.

If your child is quarantined, please check with his/her teacher for assignments.

### Parents,

If you have chosen to have your students **vaccinated** for Covid19, please send a copy or photo of the Vaccine card (after the 2nd dose) to Nurse Stana Ruebusch to update their vaccine status in our records. Students who are completely vaccinated (2 weeks after their second dose) will NOT have to quarantine if they have had an exposure at school or at home...symptoms should be monitored and it is recommended that students wear a mask if they have an exposure, but quarantine will not be implemented.
