Ladies Night Out is on March 26, 2022 at OHHS. Purchase event tix, Louis Vuitton purse raffle ticket, or to bid on silent auction items, go to [this site](#) beginning March 25. Contact Teri Ward ohhsptalno@gmail.com with any questions.

Covid Information

Please keep your children home if they are not feeling well. We don't want to spread any contagious virus.

If someone in your house is pending COVID test results, all unvaccinated students should stay home until negative results are received. Vaccinated students without symptoms can attend school but should be masked during this time.

Please notify the school nurse or complete the [COVID Reporting Form](#) if your student was in close contact with someone that tested positive for COVID or if your student is testing for COVID.

If your child is quarantined, please check with his/her teacher for assignments.

CRISIS HELP

After an especially challenging year, the holiday season can present additional stress and sometimes heightened emotional needs. If your student or family could use extra support, please take advantage of these confidential, easy-to-access resources:

If your student needs crisis support, confidential support is available 24/7 at 1-800-273-8255 (TALK).

Text with live, trained Crisis Counselors 24/7 for any kind of crisis by texting HOME to 741741. Locally, Cincinnati Children's Hospital Medical Center Psychiatric Intake Response Center (PIRC) provides support to families in accessing mental health services for children and adolescents: 1-513-636-4124.

Parents,

If you have chosen to have your students **vaccinated** for Covid19, please send a copy or photo of the Vaccine card (after the 2nd dose) to Nurse Stana Ruebusch to update their vaccine status in our records. Students who are completely vaccinated (2 weeks after their second dose) will NOT have to quarantine if they have had an exposure at school or at home...symptoms should be monitored and it is recommended that students wear a mask if they have an exposure, but quarantine will not be implemented.
