Parent Corner

Earlier this week the Board of Education voted to revise the 2023-24 district calendar, moving the staff in-service day scheduled for March 11 to March 19. Now students will attend school on March 11 and be off school on March 19. The change was made because March 19 is the Ohio Primary and several district schools are voting sites. With heavy voter turnout expected, using the day for in-service both protects instructional time from disruption and also provides convenience for the community.
