

SAFETY SONG

Verse 1:

You may have heard this, what I'm bout to say.
A couple tips to keep you all safe.
When you are in school each and everyday,
Listen up, you boys and girls, you're 'bout to learn today
Here's why

Chorus:

Because it's

Safety (sung in background like video)

Clap a long, listen to your teachers, and you'll be safe, because it's

Safety (sung in background like video)

Clap along, if you feel that school safety is the truth, because it's

Safety (sung in background like video)

Clap along, if you know what stayin' safe means to you.

Safety (sung in background like video)

Clap along, if you feel stayin' safe is the thing to do.

Verse 2:

You can push desks in front of the door, yeah
Always listen to your teachers voice, yeah
If you follow these rules, you'll be just fine, yeah
You know what to do now it's time to shine

Chorus:

Because it's

Safety (sung in background like video)

Clap a long, listen to your teachers, and you'll be safe, because it's

Safety (sung in background like video)

Clap along, if you feel that school safety is the truth, because it's

Safety (sung in background like video)

Clap along, if you know what stayin' safe means to you.

Safety (sung in background like video)

Clap along, if you feel stayin' safe is the thing to do.

BE SAFE!!!

THESE ARE QUESTIONS THAT YOU CAN REVIEW WITH YOUR STUDENT.

Here is the test. Three things:

1. What is the most important thing to do at school to stay safe.
2. What is a way to get out of the room?
3. What can you do to make the room a fort?
