

2020-2021 Elementary School Supply List

Parents, please note that supply lists have been reduced to only the supplies needed in the immediate future. We will be sending home each child's supply box/bag in their backpack frequently. Please check supplies often and replenish items that may be missing or empty. It is also highly recommended that each item have your child's name/initials on it. If a crayon or pencil is found on the floor and isn't labeled, we won't be able to return it as we have in years past. Thank you for your help with this!

****Wishlist items are items the teachers would like to have, but aren't items you must purchase.**
