Delhi Middle School is excited to announce that the **Social Media Awareness & Responsibility Training (SMART) program** will be coming to Delhi Middle School on **Thursday, January 24**. There will be a parent presentation at **6:30 pm in the media center**.

"Our SMART program provides social media coaching to train students how to create a successful online brand. We give young people the tools to present themselves positively online. We teach them the importance of responsible social media use through statistics, testimonials, and various other forms of evidence. Additionally, we caution students against the common pitfalls of the social media age and coach them to avoid situations that can damage their reputation."

The Rapid Run Middle School PTA kindly asks you to complete a Hamilton County Council of PTAs Educator of the Year Award nomination by clicking the link below. This award is designed to honor principals, teachers, teaching teams, counselors and other certified educators who our PTA unit feels have contributed over and above what their job requires for the children at RRMS. Thank you for taking a few minutes to submit your candidate for this award!
