Delhi Middle School is excited to announce that the **Social Media Awareness & Responsibility Training (SMART) program** will be coming to Delhi Middle School on **Thursday, January 24**. There will be a parent presentation at **6:30 pm in the media center**.

"Our SMART program provides social media coaching to train students how to create a successful online brand. We give young people the tools to present themselves positively online. We teach them the importance of responsible social media use through statistics, testimonials, and various other forms of evidence. Additionally, we caution students against the common pitfalls of the social media age and coach them to avoid situations that can damage their reputation."

The Rapid Run Middle School PTA kindly asks you to complete a Hamilton County Council of PTAs Educator of the Year Award nomination by clicking the link below. This award is designed to honor principals, teachers, teaching teams, counselors and other certified educators who our PTA unit feels have contributed over and above what their job requires for the children at RRMS. Thank you for taking a few minutes to submit your candidate for this award!

OAK HILLS LOCAL SCHOOL DISTRICT **HEALTH SERVICES NOTIFICATION AND INFORMATION ABOUT BED BUGS**

Dear Parent or Guardian:

We recently found a bed bug in our building this week. FORTUNATELY, SCHOOLS ARE NOT a favorite home for bed bugs because they do not have a host to feed on at night and they hate bright lights during the day. So if a bed bug comes in with a student, it is not likely to travel very far within the classroom or school.

Bed bugs are a nuisance, but their bites are not known to spread disease. Bed bugs are usually active at night and feed on human blood. The bite does not hurt at first, but it may become swollen and itchy, much like a mosquito bite. Watch for clusters of bites, usually in a line, on exposed areas of the body. If you have concerns for you or your child, please contact your doctor.

The source of bed bugs often cannot be determined, as bed bugs may be found in many places including hotels, planes, and movie theaters. Even though it is unlikely for bed bugs to be spread in schools, OHLSD will conduct an inspection and, if needed, will treat the area where the bed bug was found. We ask that you inspect your home and your child's belongings. Please contact the school nurse or principal if you know you have bed bugs in your home so we can make every effort at school to prohibit it from spreading.

OHLSD will continue to work to identify bed bugs, provide thorough inspections of schools, and have licensed pest control specialists treat the rooms if a problem is found. Contact your physician or school nurse for proper care and treatment of bed bug bites.

If you have any questions regarding bed bugs in your school, please contact the principal or school nurse. If you have any questions regarding bed bugs found in your home, search the Central Ohio Bed Bug Task Force or the Hamilton County Health Department. Most licensed pest control companies in our area will do an inspection at no cost and give advice for treatment.

Sincerely,

Jessica Mathews

Have you seen the OHHS Color Guard? We're that part of the marching band that dances and spins flags and rifles. If you've been hoping for an opportunity to learn how we do our thing, here's your chance! Oak Hills is starting a Middle School Color Guard and we want YOU to come and see what we're all about. This winter, all current 6th, 7th, and 8th grade students are invited to attend our "Intro to Color Guard" Clinics. There will be a session at each of the middle schools and you can come to one, two, or all three! Join us for the afternoon and see what it's like to swing a flag around or toss a rifle in the air. We're excited to meet you! See you there!
