For only \$38.00, your kid will have a book that will be enjoyed now and 20, 30 or even 50 years from now. You also can make the yearbook extra special by purchasing namestamping and a protective plastic cover (online purchase only).

Buy online with credit card, debit card or PayPal at yearbookforever.com or at school with a check made out to Rapid Run Middle School in the main office. Order now, so your child won't miss out when the yearbook is distributed before the last day of school.

We're excited to share that our school is part of the Coca-Cola Give program.

This opens up Rapid Run Middle School to new funding opportunities to help improve learning environments for students. The best part? Donations don't come out of your own pocket!!

When you make Coca-Cola purchases, you simply enter the product codes here:

<https://us.coca-cola.com/give/schools/>

or turn your product lids into the main office and our school receives a donation. Help RRMS make the most of this program and get started today!

OAK HILLS LOCAL SCHOOL DISTRICT HEALTH SERVICES NOTIFICATION AND INFORMATION ABOUT BED BUGS

Dear Parent or Guardian:

We recently found a bed bug in our building this week. FORTUNATELY, SCHOOLS ARE NOT a favorite home for bed bugs because they do not have a host to feed on at night and they hate bright lights during the day. So if a bed bug comes in with a student, it is not likely to travel very far within the classroom or school.

Bed bugs are a nuisance, but their bites are not known to spread disease. Bed bugs are usually active at night and feed on human blood. The bite does not hurt at first, but it may become swollen and itchy, much like a mosquito bite. Watch for clusters of bites, usually in a line, on exposed areas of the body. If you have concerns for you or your child, please contact your doctor.

The source of bed bugs often cannot be determined, as bed bugs may be found in many places including hotels, planes, and movie theaters. Even though it is unlikely for bed bugs to be spread in schools, OHLSD will conduct an inspection and, if needed, will treat the area where the bed bug was found. We ask that you inspect your home and your child's belongings. Please contact the school nurse or principal if you know you have bed bugs in your home so we can make every effort at school to prohibit it from spreading.

OHLSD will continue to work to identify bed bugs, provide thorough inspections of schools, and have licensed pest control specialists treat the rooms if a problem is found. Contact your physician or school nurse for proper care and treatment of bed bug bites.

If you have any questions regarding bed bugs in your school, please contact the principal or school nurse. If you have any questions regarding bed bugs found in your home, search the Central Ohio Bed Bug Task Force or the Hamilton County Health Department. Most licensed pest control companies in our area will do an inspection at no cost and give advice for treatment.

Sincerely,

Jessica Mathews

Have you seen the OHHS Color Guard? We're that part of the marching band that dances and spins flags and rifles. If you've been hoping for an opportunity to learn how we do our thing, here's your chance! Oak Hills is starting a Middle School Color Guard and we want YOU to come and see what we're all about. This winter, all current 6th, 7th, and 8th grade students are invited to attend our "Intro to Color Guard" Clinics. There will be a session at each of the middle schools and you can come to one, two, or all three! Join us for the afternoon and see what it's like to swing a flag around or toss a rifle in the air. We're excited to meet you! See you there!

The Sustainability Committee of Mount St. Joseph University and the Oak Hills School District are proud to sponsor a **COMMUNITY ELECTRONICS RECYCLING DAY** on Saturday, April 6th, 2019 from 10 AM - 2 PM in the student parking lot (north lot) of Oak Hills High School. There are no residency requirements to drop off items and ANY item with an electrical cord will be accepted. This includes all TVs (any size), refrigerators and all other household appliances (microwaves, washers, vacuum cleaners, etc.), cell phones, game systems, iPods, Blackberries, MP3 players, digital cameras, GPS units, e-readers, all computers and related accessories (such as keyboards, printers, portable hard drives, and scanners), VCR/DVD/CD players, fax machines, copiers, surge protectors, power cables and charging cords, electronic wiring, and satellite components.

A \$15 donation is requested for each small cathode ray tube (CRT) TV/monitor dropped off and a \$25 donation is requested for each large TV (consoles, large flat screens, and rear projection TVs). For those without TVs to drop off, a \$10 donation is requested per vehicle. These donations help to defray both disposal fees for the hazardous waste components of the items to be recycled and transportation costs.

RecycleForce, a non-profit from Indianapolis, will de-manufacture these items and shred all hard drives to address any privacy concerns. The plastics and metals are then collected, packaged, and sold to build new components, while all toxic elements, such as lead and mercury, will be disposed of properly to avoid environmental contamination. RecycleForce provides transitional jobs to formerly incarcerated people, helping them to rebuild their lives and increase their chances of sustained future employment.

If you have questions, please call event coordinator Colleen McSwiggin at 513-244-4864.
