Social Media and Its Impact on Bullying

Presented by Council On Child Abuse

Thursday, October 25

6:30pm-8:00pm

Rapid Run Auditorium

This workshop will educate parents on smartphone/social media apps and what bullying looks like on those apps!

This year Rapid Run is partnering with the Council on Child Abuse to bring awareness to bullying and social media. The training – Social Media and its Impact on Bullying – will be on Thursday, October 25th and 6:30 PM in the Rapid Run auditorium. All parents and students are welcome to attend. The presentation will review the types of bullying, the difference between mean behavior and bullying, and focus on how social media has changed the way bullying takes place. The training will focus on educating parents on apps, specifically what Snapchat and Instagram are, how to understand the safety and privacy features on these apps, and what bullying looks like on these apps. Parents should walk away feeling more comfortable talking to their kids about what is happening on social media, understanding what their kids are going through, and knowing ways to protect them from bullying and how to report it. No RSVP required, we hope to see you all there!

Nurse *Notes*

Just a reminder.... We ask that students come to the health room if they are not feeling well. While I understand that many have cell phones in which they can contact a guardian, it is important that they are assessed in the health room for a communicable illness. It could take a while for transportation to be arranged and your student could be transmitting an illness to other students. This also makes pick up easier as they will be able to pack up their things and be ready to go home when someone arrives to pick them up.

PTA Reflections Contest--Heroes Around Me

The Ohio PTA, through National PTA, holds an annual cultural arts program, Reflections. Children in preschool through grade 12 are encouraged to create and submit original works of art in six areas: literature, visual arts, photography, dance choreography, film production and music composition. The Reflections program allows PTAs throughout the state to recognize children for their creativity as they reflect on the yearly theme. Teachers, parents, children and community can get involved in enhancing arts education through the Reflections program. The Reflections Program is one of the best examples of the PTA's ability to bring out the best in our youth. PTA strongly supports education in the arts. It is about creating educational excitement and involvement within our schools between parents, teachers and our kids.

The theme for this year's contest is Heroes Around Me. Students and family who are interested in the contest can find more information on the [Ohio PTA's website](#).

Applications for the contest are available through [this link](#) or in the RRMS main office.

If you have any questions, please contact Mrs. Bashara, Assistant Principal, bashara_k@ohlsd.org or call the school office, 467-0300.

Dear Parents,

These are the days your child will want to remember forever. Help make the year unforgettable by purchasing a 2018-2019 Yearbook.

For only \$36.00, your kid will have a book that will be enjoyed now and 20, 30 or even 50 years from now. You also can make the yearbook extra special by purchasing namestamping and a protective plastic cover (online purchase only). The \$36.00 price will increase January 1, 2019 so don't delay.

Buy online with credit card, debit card or PayPal at yearbookforever.com or at school with a check made out to Rapid Run Middle School in the main office. Order now, so your child won't miss out when the yearbook is distributed before the last day of school.

As an adult, you know how important high school memories become. Don't let your child's memories fade; make sure they get a yearbook!

- Stop by for an opportunity to learn about the Department's history while viewing the many artifacts on display, including the original fire pumper!
- Kid's Firefighter Challenge Course, for children of all ages who want to suit up and test their firefighter skills and agility (*gear only available for kids up to 12 years old*).
- The Fire Safety House which teaches life-saving practices on how to safely exit a smoke filled building.
- We will have vintage fire apparatus from the Miles Greenwood Society on display.
- Delhi Township Police Officer Jeff Miller his canine Levi and Fire Investigator Steve Claytor his canine Rudy will be there for demonstrations.
