## REMINDER: Early Dismissal Procedures

When it is necessary to pick up your student early, please have them bring a note to the office in the morning. We can then give them a pass to be excused from class at the requested time and we can have your student waiting for you in the Office.

## Lost and Found

Our lost and found box in the office is overflowing with jackets, sweatshirts, lunch bags, water bottles, pencil bags, books, folders, etc. Please have your child check if they are missing anything. If you put your child's name on their possessions, we will be happy to reunite students with their lost items. **We will be donating any remaining items at the end of February.**

**Students, you are invited to audition for the 2019 Oak Hills High School Color Guard! The Color Guard performs and competes with the marching band using flags, rifles, sabres, and dance to provide an amazing visual component to the show. The marching band will be performing at the Walt Disney World Resort in Orlando, Florida this upcoming December, and Color Guard members are eligible for this amazing trip. Interested students should plan to attend the upcoming Color Guard Clinic, Tuesday February 19th through 22nd, in the OHHS Commons from 6-8pm. Auditions are open to any student entering 8th through 11th grade, regardless of ability level. If you have questions, email Color Guard Director, Julie Shreve, at [oakhillscolorguard@gmail.com](mailto:oakhillscolorguard@gmail.com).**

Please join the Oak Hills community in an effort to raise funds for our **8th Annual One Hope One Heart fundraiser**. This is a family friendly event that is open to all of the Oak Hills community and has something for all ages to enjoy! On **Friday, March 15, 2019** the faculty members from each of the nine Oak Hills Local School District buildings and District Office will do battle in a volleyball game to raise funds for district families that have experienced tragic hardship.

We have amazing basket raffles, concessions, tattoos, sucker pull, t-shirt sales and many more fun activities throughout the night! Please save the date and come join us for this worthy cause.

If interested in purchasing an event t-shirt...please see your school office for details and they will point you in the right direction. Teachers/Staff will be wearing these on the following Wednesdays (3/6, 3/13) in the month of March! Join us by wearing your shirt from our past years events or support a great cause again and purchase this years event t-shirt!!

If interested in donating to the cause but can't make it that night to participate - please email Mrs. Jeanna Linenkugel for other ways to contribute at [linenkugel\\_j@ohlsd.org](mailto:linenkugel_j@ohlsd.org).

The Sustainability Committee of Mount St. Joseph University and the Oak Hills School District are proud to sponsor a **COMMUNITY ELECTRONICS RECYCLING DAY** on Saturday, April 6th, 2019 from 10 AM - 2 PM in the student parking lot (north lot) of Oak Hills High School. There are no residency requirements to drop off items and ANY item with an electrical cord will be accepted. This includes all TVs (any size), refrigerators and all other household appliances (microwaves, washers, vacuum cleaners, etc.), cell phones, game systems, iPods, Blackberries, MP3 players, digital cameras, GPS units, e-readers, all computers and related accessories (such as keyboards, printers, portable hard drives, and scanners), VCR/DVD/CD players, fax machines, copiers, surge protectors, power cables and charging cords, electronic wiring, and satellite components.

A \$15 donation is requested for each small cathode ray tube (CRT) TV/monitor dropped off and a \$25 donation is requested for each large TV (consoles, large flat screens, and rear projection TVs). For those without TVs to drop off, a \$10 donation is requested per vehicle. These donations help to defray both disposal fees for the hazardous waste components of the items to be recycled and transportation costs.

RecycleForce, a non-profit from Indianapolis, will de-manufacture these items and shred all hard drives to address any privacy concerns. The plastics and metals are then collected, packaged, and sold to build new components, while all toxic elements, such as lead and mercury, will be disposed of properly to avoid environmental contamination. RecycleForce provides transitional jobs to formerly incarcerated people, helping them to rebuild their lives and increase their chances of sustained future employment.

If you have questions, please call event coordinator Colleen McSwiggin at 513-244-4864.
