### ANNUAL 6<sup>TH</sup> GRADE DISTRICT WIDE TRACK MEET

Our 6th grade Fitness Education students will have a friendly competition against the FE students from Bridgetown and Delhi at the Oak Hills High School track and football field on Monday, May 13th. The events will be run by the Fitness Education teachers and the Oak Hills track team. This is a very memorable event for our students, and parents are welcome to come and watch. The students have been told exactly what to do that day, but here are a few reminders: Students should dress appropriately for the weather - hoping for a beautiful, warm, sunny day so this would include sunscreen rather than many layers of clothing if it is not :). They will be given their track t-shirt the morning of the meet. The students need to pack a lunch and their drink, and we suggest bringing a water bottle that they can refill. They come to school at the regular time, and will be back at school again to catch their bus/ride home. If you have any questions, please contact
