### **IMPORTANT MESSAGE FROM THE SCHOOL NURSE:**

If your child was on medication this school year and you still have medication in the health room you should have received an email from the nurse. Please respond to the email with how medication should be returned. Any medication left in the health room after 2pm on the last day of school will be discarded.

Our school Medication Policy requires **all** medications, including **over the counter medication** to have a **new** physician's order with parent's signature **each** school year. The medication also must be in a **new** original container and/or prescription bottle with the child's name on it. These forms can be printed from our [website](#).

Please bring in completed forms **signed, dated, and stamped** by your primary health care provider with parent signature along with any required medications on August 9th or 12th. Please watch for the summer newsletter with the drop off hours. **Parents must hand deliver medications** with completed forms to the nurses in the health office to be checked for full accuracy.

**No** medications will be administered at school without the accurately completed forms. Also please check the expiration date on medications as we cannot accept expired medications.

Have a safe, fun, and healthy summer!

**The PTA would like ideas from faculty, staff and parents to determine items that the PTA could purchase after all obligations have been met for the 2018-2019 school year.**

Please find the Disbursement Form here: <https://www.ohlsd.us/rapid-run-middle-school/pta-10/disbursements-17/>  
Completed Disbursement Forms can be turned into the office to be placed in the PTA mailbox.
