At Rapid Run Middle School, we strive to create a positive learning environment for all students. In the next several weeks, we are offering a group for students to improve upon or enhance existing skills and qualities related to study skills and organization. If you are interested in having your student participate or you would like more information, please contact Ms. Sexton (sexton_c@ohlsd.org, 467-3164)

Early Dismissals – Occasionally, a student will need to be dismissed early for appointments. If your Student needs to leave school early, please have your child bring a note to the office in the morning. We can then give them a pass to be in the office waiting for you when you need them.

The Rapid News is a publication of Rapid Run Middle School. Please do not reply to this email. If you have any questions concerning any information in this newsletter, please call Rapid Run Middle School at 467-0300.

Destination Imagination

DI is ramping up for the 2018-19 school year!

DI is a fun, team-based club where students creatively solve complex problems. Teams (2-7 people) will begin working in October to prepare for a competition on March 2nd. At the competition, the team will present their creative solution to their chosen challenge through a demonstration or skit.

ANYONE can participate! Teams will meet weekly to develop their solution and will be able to enhance needed skills on two Saturdays (carpentry, costume design, mechanics, etc.)

Parents can get involved by being a team manager (to supervise only- the whole process is kid driven!).

DI Information Night: Sept. 11 (7:00PM) at Oakdale, MPR

RAMstars of the Month!!~September

These students have demonstrated high expectations of themselves in ALL areas of their lives! We are so proud that they are part of our school! Congratulations!

Youth for Understanding, one of the world's oldest high school exchange student programs is looking for host families for students from 70 countries and high school students who want to experience life in one of our 40 study abroad countries. Please visit our website at YFUUSA.org or email Amanda Mascarenhas at amascarenhas@yfu.org

From the Nurse:

We are starting to see cases of head lice.

We suggest you check your child's hair daily for lice or nits (eggs).

In checking for lice and nits, particular attention should be paid to the hair shaft near the scalp, the back of the neck and behind the ears. Head lice are gray-brown parasites about the size of a typewritten comma that deposit their eggs (nits) with a sticky substance to the hair shaft near the scalp. A louse nit can live up to 10 days off the human host.

People get head lice from direct contact with others who are infested, wearing infested clothing, using infested combs and brushes, lying on infested carpets and beds, and from resting the head against upholstered furniture formerly used by infected persons. Head lice DO NOT fly, but are highly transmittable.

Cooperation between the parents and school is most essential to keep this problem to a minimum. Please check your child's hair weekly for early detection.

Remember, head lice can happen to anyone. There is no shame in having lice.

If you find that your child does have lice and /or nits, please keep your child home and notify the school immediately. Please call the School Nurse for any questions or go to our school website @

As many of you know, Oak Hills Bands has been a great pillar of our community for decades. Its traditions combined with the immense hard work of our wonderful students, former and current, has spurred great growth in our program over the past few years, and we will be working diligently to see that growth continue in the coming years. Many exciting things are on the horizon!

With a growing band program comes the need for a variety of equipment and instrument purchases, some small, some major. In the past, many of these items have been made possible by our band boosters, school and district, combined with several fantastic individuals who have gone above and beyond to help our program reach new heights. For that we are grateful!

We now need the support of our band family, alumni, community, and performing arts enthusiasts more than ever.

The Oak Hills Band Association and the OHHS Band Staff have set forth a goal to raise **\$60,000** to replace our marching bands' sousaphones (marching tubas), several of which date back to 1974. Please join OHBA and the fantastic students of Oak Hills Bands in helping us make this dream a reality!

At tomorrow night's OHHS home football game, OHBA will be kicking off our sousaphone fundraising campaign. There will be tables setup near the home concession stands with several games, prizes to be won, spiritwear items for sale, donation buckets, and info available on how you can help. All proceeds will go towards the future purchase of these instruments. Please spread the word to your family, friends, and fellow Oak Hills supporters, so we can continue to see this band program reach new levels in the coming years!

WANT TO HELP RIGHT NOW??

Make a tax-deductible donation via PayPal on OHBA's website!

<http://www.oakhillsbandassociation.org/donate> ANY amount helps!

Thank you, and we look forward to seeing many of you tomorrow evening!
GO HIGHLANDERS!
