2018 - 2019 College and Career Readiness (CCR) Conferences

Check and Connect Conferences

Grades 6, 7, 8

September 24, 2018 from 4:00 - 7:00

October 4, 2018 from 4:00 - 7:00

This 15 minute conference is a more traditional conference. Parents and students choose to meet with one of their core and/or encore teachers. This conference helps to communicate to parents the areas in which their child excels, to give them specific ideas of how to improve upon their child's performance in school, and to increase the likelihood of academic success for their child.

Career and College Readiness Conferences

Grade 6, 7

Grade 8

February 25, 2019 from 4:00 - 7:00

February 11, 2019 from 4:00 - 7:00

March 7, 2019 from 4:00 - 7:00

February 21, 2019 from 4:00 - 7:00

This 20 minute conference will address College and Career Readiness goals for individual students, and it will center around student registration for the upcoming school year. This parent-student-teacher meeting will inform parents and students about important registration decisions that impact future learning.

At Rapid Run Middle School, we strive to create a positive learning environment for all students. In the next several weeks, we are offering a group for students to improve upon or enhance existing skills and qualities related to study skills and organization. If you are interested in having your student participate or you would like more information, please contact

Ms. Sexton (sexton_c@ohlsd.org, 467-3164)

EMA Form

If you have not completed your child's online emergency medical form go to **please** visit www.ohlsd.org/portal/parents and click **EMA Form**. It is very important that we have this information on file. Students may not participate in field trips, outings or extracurricular activities if this form is not complete. **We still have 190 students without completed EMAs! Please complete this form ASAP**

Youth for Understanding, one of the world's oldest high school exchange student programs is looking for host families for students from 70 countries and high school students who want to experience life in one of our 40 study abroad countries. As many of you know, Oak Hills Bands has been a great pillar of our community for decades. Its traditions combined with the immense hard work of our wonderful students, former and current, has spurred great growth in our program over the past few years, and we will be working diligently to see that growth continue in the coming years. Many exciting things are on the horizon!

With a growing band program comes the need for a variety of equipment and instrument purchases, some small, some major. In the past, many of these items have been made possible by our band boosters, school and district, combined with several fantastic individuals who have gone above and beyond to help our program reach new heights. For that we are grateful!

We now need the support of our band family, alumni, community, and performing arts enthusiasts more than ever.

The Oak Hills Band Association and the OHHS Band Staff have set forth a goal to raise **\$60,000** to replace our marching bands' sousaphones (marching tubas), several of which date back to 1974. Please join OHBA and the fantastic students of Oak Hills Bands in helping us make this dream a reality!

At tomorrow night's OHHS home football game, OHBA will be kicking off our sousaphone fundraising campaign. There will be tables setup near the home concession stands with several games, prizes to be won, spiritwear items for sale, donation buckets, and info available on how you can help. All proceeds will go towards the future purchase of these instruments. Please spread the word to your family, friends, and fellow Oak Hills supporters, so we can continue to see this band program reach new levels in the coming years!

WANT TO HELP RIGHT NOW??

Make a tax-deductible donation via PayPal on OHBA's website!
<http://www.oakhillsbandassociation.org/donate> ANY amount helps!

Thank you, and we look forward to seeing many of you tomorrow evening!
GO HIGHLANDERS!

COMMUNITY ELECTRONICS RECYCLING DAY
SATURDAY, SEPT. 29th, 2018
10 AM – 2 PM
MOUNT ST. JOSEPH UNIVERSITY WEST PARKING LOT
5701 Delhi Road, Cincinnati, Ohio 45233

The Sustainability Committee of Mount St. Joseph University is proud to sponsor a community electronics recycling day on Saturday, September 29th, in the West parking lot of the university. There are no residency requirements to drop off items and ANY item with an electrical cord will be accepted. This includes all TVs (any size), refrigerators and all other household appliances (microwaves, washers, vacuum cleaners, etc.), cell phones, game systems, iPods, Blackberries, MP3 players, digital cameras, GPS units, e-readers, all computers and related accessories (such as keyboards, printers, portable hard drives, and scanners), VCR/DVD/CD players, fax machines, copiers, surge protectors, power cables and charging cords, electronic wiring, and satellite components.

A \$15 donation is requested for each cathode ray tube (CRT) TV/monitor dropped off and a \$25 donation is requested for each large TV (consoles, large flat screens, and rear projection TVs). For those without TVs to drop off, a \$10 donation is requested per vehicle. These donations help to defray both disposal fees for the hazardous waste components of the items to be recycled and transportation costs.

RecycleForce, a non-profit from Indianapolis, will de-manufacture these items and shred all hard drives to address any privacy concerns. The plastics and metals are then collected, packaged, and sold to build new components, while all toxic elements, such as lead and mercury, will be disposed of properly to avoid environmental contamination. RecycleForce provides transitional jobs to formerly incarcerated people, helping them to rebuild their lives and increase their chances of sustained future employment.

If you have questions, please call event coordinator Colleen McSwiggin at 513-244-4864.
