*Supporting the Student-Athletes of the
Oak Hills Local School District...*

Our Athletic Boosters efforts provide significant benefits to the quality of the experience for each and every Student-Athlete in the Oak Hills School District – grades 7-12. We believe that athletics teach students valuable life lessons, but more than that, we also believe that successful sports programs can energize entire communities! Through our combined efforts, we are able to reinvest by purchasing equipment, supporting our teams financially, sending our coaches to clinics, investing in facilities improvements and by providing recognition to our student/athletes in the form of awards and scholarships. We have a large program and can't do it alone! Please Join Us, go **#HighlanderMentality** and let's make a difference together!

Recently we purchased the following items with Booster funds: new scoreboard at Rapid Run, baseball netting, weight room equipment upgrades, timing system for pool, parka's for swimming and diving team, academic team buzzer system, soccer nets, paid for off-site practice facility for golf, tennis, soccer, cheerleading, gymnastics and bowling, ball carts for volleyball and tennis, new hurdles and new shot put area for track team, and helped start the girls Lacrosse team. We have already approved sleds for Football, portable goals for Soccer, training aids for Volleyball, team tents for Cross Country, windscreens for Softball and much, much more for the current year!
