## Core Beliefs

### Diversity :

We appreciate, respect, and learn from diverse viewpoints, and we teach our students to do the same

### Collaboration :

We partner with our parents, the community and stakeholders, to support our students' learning and growth, and we teach our students to work cooperatively with others to accomplish goals

### High Expectations :

We hold ourselves and our students to high standards of performance and behavior

### Accountability :

We establish clear goals, measure progress, and take responsibility for results, and we teach our students to become responsible, self-motivated learners
